

Waverly Presbyterian Church Why Become a Member?

All are welcome at Waverly and there are many opportunities in becoming a member!

SPIRITUAL DEVELOPMENT

Members practice our spirituality by committing to a messy group of people chosen by God, living together in vulnerability and inclusion, offering and receiving forgiveness, and growing together in faith.

VOICE

You can help shape the future of the church! Members have a say in the governance of the church: you can vote at congregational meetings; you can become a member of session; and can participate in Presbytery meetings, committees, or other higher bodies.

COMMUNITY

Members become a part of a diverse faith community, where you can make lifelong friends and have the support (prayer, meals, caring words) of the church if you and your family are facing challenges in your lives or celebrating joyous occasions.

ACTIVITIES

Members participate actively in worship and in many activities throughout the year such as Holiday Fest, Cookie Walk, and Opera House. Members assist with leading studies and worship, upkeep of our property, and caring for children and youth.

MISSION

Members live out the way of life God calls us to, practicing the kingdom of God, standing in opposition to the ways of the world that tell us we are valued by what we purchase or produce. Members give back to the community through various fundraising, volunteering, and other community-based activities. You have gifts that are needed here!

COMMITMENT

Membership shows your investment in your community and your faith. We commit our lives and finances to a higher call - one that cares for the most vulnerable and compels us to live together simply while exploring the mysteries of the Divine.

We would be proud to have you as a member!
